Runnymede United Church Minister and team

Dear Friends:

Windermere's council and amalgamation team have reviewed our options following our conversations with each of you. These dialogues and related interactions have helped to clarify our present and future needs and hopes.

Our recommendation to our Windermere congregation on March 5th will be to enter into formal amalgamation discussions with Runnymede United to form a dual campus church in our adjacent neighbourhoods.

The channels of communication that have opened among us are invaluable to sustaining United Church ministry in west end Toronto. We look forward to ongoing sharing of insights and supporting of one another in ministry.

With gratitude,

Cec Mutton
